

Magnet Template & Design Specifications

Magnet Size: 2 1/8" x 3 1/8"

Include 1/8" for bleed around all edges (to extend color or photograph to edges of magnet). The bleed area will be cropped and not part of the finished product.

Design Size with Bleed: 2 3/8" x 3 3/8"

Bleed should only include color, photograph, or design that is able to be cropped—**no type** should touch bleed edge.

Type

Type should not be closer than 1/8" to the cropped edges of the magnet.

Uploading – File Types

Acceptable files types include: JPG, PNG, GIF, TIF, PSD, PDF, and EPS.

File Size

Please keep file size under 2 MB for easy uploading. Art resolution should be around 300 dpi.
