Rectangle Paperweight Template & Design Specifications

Design Size: 3⅞" x 2⅜"

Include ⅛" for bleed around all edges (to extend color or photograph to edges of paperweight). The bleed area will be cropped and not part of the finished product.

Design Size with Bleed: 4⅛" x 2⅝"

Distortion
This area (in light grey) will be slightly distorted by the bend of the glass. Color will be visible. Smaller details may be hard to see in the distortion.

Uploading – File Types
Acceptable files types include: JPG, PNG, GIF.

File Size
Please keep file size under 2 MB for easy uploading. Art resolution should be around 300 dpi.
