

Mask Template & Design Specifications

Mask Design Size: 7 1/8" x 4 3/4"

Keep all important elements (text, photo, art, logo) 1/8" away from edge of mask design. Color and full-bleed photos can extend right to the edge, plus the bleed area.

Mask Design Size with Bleed: 8" x 5 1/4"

Bleed should only include color, photograph, or design that is able to be cropped—**no type** should touch bleed edge.

The bleed area will be cropped and not part of the finished product.

Uploading – File Types

Acceptable files types include: JPG, PNG, GIF, TIF, PSD, PDF, and EPS.

File Size

Please keep file size under 2 MB for easy uploading. Art resolution should be around 300 dpi.
