

Coaster Template & Design Specifications

Design Size with Bleed: 3 3/4" x 3 3/4"

Bleed should only include color, photograph, or design that is able to be cropped—no type should touch bleed edge.

Type

Type should not be closer than 1/8" to the edges of the coaster.

Keep all type and important details of photograph or design in this area—it will not be cropped.
(3 3/4" x 3 3/4")

Coaster Size: 3 1/2" x 3 1/2"

Include 1/8" for bleed around all edges (to extend color or photograph to edges of coaster). The bleed area will be cropped and not part of the finished product.

Uploading – File Types

Acceptable files types include: JPG, PNG, GIF, PDF.

File Size

Please keep file size under 2 MB for easy uploading. Art resolution should be around 300 dpi.
